Our Bag of Goodies for the Week

Our letter this week is Ii.

Mrs. Taylor's class is responsible for the snack this week.

Thank you to Nicole Stegman for bringing Marshmallows and M&M's for our "Mm" snack.

Six children have had perfect attendance since the first day of school. **WAY TO GO!!!!**

Reading: "Mrs. McNosh Hangs Up Her Wash" is a fun, silly story. We will discuss asking sentences using the words: what, who, where, when, and why.

Writing: Our draw and label will be an Indian. We will discuss what conventions we will use as we write our sentence.

Math: We will identify the groups with the fewest, and the most. By equalizing sets, we will either draw more to equal sets, or cross out.

Character Education: Red Ribbon Week - which helps us make good choices about drugs and alcohol.

From The Teacher:

Parent teacher conferences are Monday, October 27, and Tuesday, October 28. You should have received in the mail a time for us to visit about your child's progress. Please return the page that you checked whether you can make it or if we need to reschedule..

Weekly Words

Our new words are do, and it. We will continue to review: is, red, like, yellow, I, go, blue, can, am, a, see, the, my, but, have, not, and to.
